

**Predicates – Simple and Complete**  
**Video Notes**

**Part. Simple Predicate**

Instructions: Write the definitions and examples.

Word	Definition	Examples
predicate		
simple predicate		

**Practice – Simple Predicates**

Instructions: Find the simple predicate. Circle each one.

Example: The boys want a snack after school.

1. We went to school at 7:30am.
2. Every student finished the exam.
3. The cute dog ran inside quickly.
4. The zoo near their house has polar bears.
5. That flower in our garden is beautiful.

**Part B. Complete Predicates**

Instructions: Write the details and examples.

Word	Details	Examples
complete predicate		

**Practice – Complete Predicates**

Instructions: Circle the complete predicate. Underline the simple predicate.

Example: My friend goes to the park with her children.

1. We went to school at 7:30am.
2. Every student finished the exam.
3. The cute dog ran inside quickly.
4. The zoo near their house has polar bears.
5. That flower in our garden is beautiful.
