### Part C. Types of Prepositional Phrases

- The two types of prepositional phrases are: \_\_\_\_\_ and \_\_\_\_\_
- Complete this table with the words that each type of prepositional phrase describes, plus an example:

<b>Adjective Prepositional Phrases describe:</b>
<i>Part of speech (2) + example sentences</i>
<b>Adverb Prepositional Phrases describe:</b>
<i>Part of speech (3) + example sentences</i>

3. Fill in the steps we can follow to identify types of prepositional phrases.

To identify the type of prepositional phrase, follow these steps:	
Step 1	
Step 2	
Step 3	

4. For each example below:

- Put a box around the prepositional phrase.
- Underline the word the phrase describes. Under the word, write the part of speech.
- Write the type of prepositional phrase.

Example #1: They studied for three hours.

Example # 2: The birds in the sky are flying.

Example #3: We play soccer after all classes and our exams.

### PRACTICE

Instructions: Draw a box around the prepositional phrase. Underline the word the phrase describes. Write whether each phrase is an adjective prepositional phrase or adverb prepositional phrase.

1. The students without umbrellas stood outside.
2. During lunch, we ate pizza and salad.
3. Before they called you, they drove to the store by the park.
4. We have played basketball inside since 4pm.
5. Right now, let's eat toast with jelly.
6. Last week, the exam took over two hours to finish.
7. Many students travel around the world to learn languages.
8. Since they arrived, they have stayed inside their home each day.
